## UNITED WE LIFT UP OUR COMMUNITIES - 2019

United Way  
of Southeastern Idaho

*Collectively we can create  
a healthier, more  
prosperous SE Idaho.*

\$630,000 invested in community programs.

83 kindergartners participated in 6 summer bootcamps to build kindergarten readiness.

\$1.6 million in additional funding was leveraged by our nonprofit partners due to United Way of SE Idaho grants.

30 community stakeholders from the business, nonprofit, public, and educational sectors collectively seeking solutions for kindergarten and career readiness as part of our imPACT East Idaho initiative.

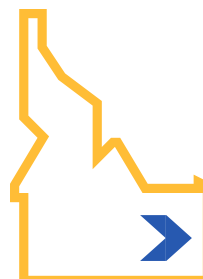

33 local programs funded in the areas of education, financial stability, & health.

83,322 people served in SE Idaho through UWSEI community investments.

101 Corporations and organizations participated in our workplace giving campaign. More than 2,700 individuals gave through workplace giving.

44% of SE Idahoans are "ALICE" - Asset Limited, Income Constrained, Employed. We are working to bring that number DOWN.
